Handball:	Deliberate handling of the ball (ball handling that could have been avoided) that denies the opposing team a goal or an obvious goal scoring opportunity is a Direct Kick Foul and will result in a Direct Free Kick. A handball foul should not be called if: (1) a player is instinctively trying to protect himself/herself from injury or, (2) the player did not deliberately touch the ball but the ball hit his/her arm & he/she did not move the arm toward the ball. However, if the player's arms were in an unnatural position such as above the shoulders or sticking out to the sides, a handball will be called.
Slide Tackling:	Slide Tackling is NOT allowed! A slide tackle is when a defender slides on the ground and attempts to kick the ball away from the ball handler. If the tackle is careless, reckless, or uses excessive force or the tackler first contacts the ball handler instead of the ball, a foul should be called. Players must stay on their feet and cannot make contact with an opposing player. Players may slide to stop/intercept a ball; however, NO CONTACT can be made with opposing players.
Scoring:	No score will be kept in any division.

Goal Box:	The Goal Box is the small box in front of the goal. In 4 on 4 for Ages 3-6 players may move through the goal box, but may NOT touch the ball within the box. If an offensive player touches the ball in the goal box, a goal kick will be awarded to the defensive team. If the ball comes to a complete stop within the goal box, then a goal kick will be awarded to the defensive team.
Penalty Box:	The Penalty Box marks the area where the goalie is allowed to use his/her hands. Once the goalie leaves the Penalty Box he/she becomes another player and is no longer protected by goalkeeper rules. Goal kicks are always taken from the goal box not the penalty box.

Goalkeeper Rules:	<ol style="list-style-type: none"> 1. The goalie is the only player on the team that may use their hands during play, provided that they are in the boundaries of the penalty box. Once outside the penalty box they become another player on the field, and they are not protected by goalkeeper rules. 2. The goalkeeper may not hold the ball with his/her hands for more than 6 seconds. During that interval, the goalkeeper may hold, bounce, or throw and catch the ball. Failure to relinquish the ball in 6 seconds will result in an indirect free kick for the opponent. 3. While in possession of the ball, the goalie cannot be interfered with by an opponent. If an opponent moves to block the goalie and indirect kick will be awarded to the goalie's team.
